

Kristina Schwarz, Head of Editorial Unit – Jinit[AG for Digital Communication, Branch Abu Dhabi

Kristina Schwarz studied Public Administration Sciences from 1997–2002. She then worked as a lecturer in publishing houses in Baden-Baden and Berlin, Germany. Since 2004, she has been employed as online editor at the Jinit[AG for Digital Communication in Berlin, which has included managing website projects for several federal ministries. She is a member of the e-Government training team of the Jinit[AG for online editors in government entities. Since 2008, she has served as manager of the editorial unit and editor-in-chief of the editorial office for the e-Government Portal of Abu Dhabi. Additionally, she is in charge of conceptual and content-related supervision of other government websites and is responsible for coaching online editors in government entities.
